RESPONSE TO NOTIFICATION OF MISSING REQUIREMENTS

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The present communication is in response to the Notification of Missing Requirements Under 35 U.S.C. 371 mailed November 20, 2006.

Additional Claim Fees

Submitted herewith is a copy of the Transmittal Letter to the United States Designated/Elected Office Concerning a Submission under 35 USC 371, which was filed in connection with the above-identified international patent application. On page 3 of this document, box (c) is marked with an "x," indicating that the Commissioner was authorized to charge any additional fees which may be required to Deposit Account No. 19-2090. In view of this, the additional claim fee of \$25 which is indicated in the Notification of Missing Requirements as being due should have been charged to Deposit Account No. 19-2090, as instructed in the Transmittal Letter.

In view of the prior submission of the Transmittal Letter authorizing the payment of the \$25 additional claim fee, the Applicants respectfully submit that the submission of this fee is not late, and that the Notification of Missing Requirements was issued in error with respect to the requirement to submit this fee. This requirement in the Notification of Missing Requirements should therefore be withdrawn.

Oath or Declaration of the Inventors

A declaration signed by the inventors was filed together with the above-identified international application pursuant to PCT Rule 4.17(iv). A copy of this declaration is submitted herewith. Pursuant to MPEP § 1893.01(e), the requirement for an oath or declaration in compliance with 37 CFR 1.497(a) and (b) is satisfied if a declaration in compliance with PCT Rule 4.17(iv) and executed by all the inventors was submitted in the international application. No declaration is therefore due in connection with the present international application.

In view of the prior submission of a signed declaration at the time that the present international application was filed, the Applicants respectfully submit that the Notification of Missing Requirements was issued in error with respect to the requirement to submit a declaration of the inventors. The Applicants therefore respectfully request that this requirement be withdrawn.

Request to Withdraw Finding of Missing Requirements

In view of the foregoing, neither the declaration filed in the present international application nor the authorization to pay additional claim fees was submitted late, and the Applicants therefore respectfully request that the Notification of Missing Requirements be withdrawn. No additional fees are thus believed to be due in connection with this communication. If, however, any fees are due in connection with this communication, please charge such fees or credit any overpayment to Deposit Account No. 19-2090.

If there remain any formal issues with respect to the present application which can be addressed by telephone, please contact the undersigned at the telephone number listed below.

Respectfully submitted,

Date: January 16, 2007
